ENJOY THE SUNSHINE
AND THE MOUNTAIN AIR
in RISOUL

PRIVATISED SKI LESSONS

-  2 hours or more
-  Beginner level: maximum 10 people per instructor
Other levels: maximum 12 people per instructor
-  Qualified ESF instructors
-  Available for all levels
-  Make sure to have a skipass, adapted equipment and insurance (optional)
-  Price rates starting from 9,7€ per person for a 2 hour session

1 Goals

Hire a private instructor to learn how to ski or improve your skills. Or discover La Forêt Blanche ski area with an experienced ESF guide. Our ski instructors are at your service; to initiate you, for a refresher course, a tour of the ski area or a technical training session to perfection your skills.

2 Additional info

It's up to you to form the lesson groups according to the level of the participants. The designated link on our homepage can help you to determine the right level.

PRIVATISED SNOWBOARD LESSONS

-  2 hours or more
-  Maximum 8 people per instructor
-  Qualified ESF instructors
-  Available for all levels
-  Make sure to have a skipass, adapted equipment and insurance (optional)
-  Price rates starting from 14,5€ per person for a 2 hour session

1 Goals

Try out snowboarding, improve your technique or discover La Forêt Blanche ski area with an experienced ESF guide. Our snowboard instructors are at your service; to initiate you, for a refresher course, a tour of the ski area or a technical training session to perfection your skills.

2 Additional info

It's up to you to form the lesson groups according to the level of the participants. The designated link on our homepage can help you to determine the right level.

FREERIDE / OFF PISTE ski or snowboard

-  2 hours for an initiation
3 hours or more for a full session
-  Maximum 8 people per instructor
-  Qualified specialist ESF instructors
-  Advanced level
-  Make sure to have a skipass, adapted equipment and insurance (optional)
-  ESF provides security equipment (avalanche beeper / shovel / probe)
-  Price rates starting from 14,5€ per person for an initiation session (2h)

1 Goals

Go off the beaten track and discover the secret spots and the best snow of the La Forêt Blanche ski area guided by a specialist ESF instructor.

2 Additional info

At the start of the first session a briefing is held to explain the nature and the proceedings of the activity with explanations concerning the use of the security equipment and safety measures.

It is possible to mix skiers and snowboarders during this activity but keep in mind that it is better if you can separate.

FREESTYLE COACHING

ski or snowboard

-  2 hours or more
-  Maximum 8 people per instructor
-  Qualified specialist ESF instructors
-  Intermediate level
-  Make sure to have a skipass, a helmet, adapted equipment and insurance (optional)
-  Price rates starting from 14,5€ per person for a 2 hour session

1 **Goals**
Progress further and go higher! Freestyle initiation or perfection in the snow park, on the airbag, backcountry,... with a specialist ESF instructor.

2 **Additional info**
No possibility to mix skiers and snowboarders in the same lesson group.

SLALOM COMPETITION TRAINING

2 hours or more

Maximum 12 people per instructor

Qualified specialist ESF instructors

Advanced level

Make sure to have a skipass, a helmet, adapted equipment and insurance (optional)

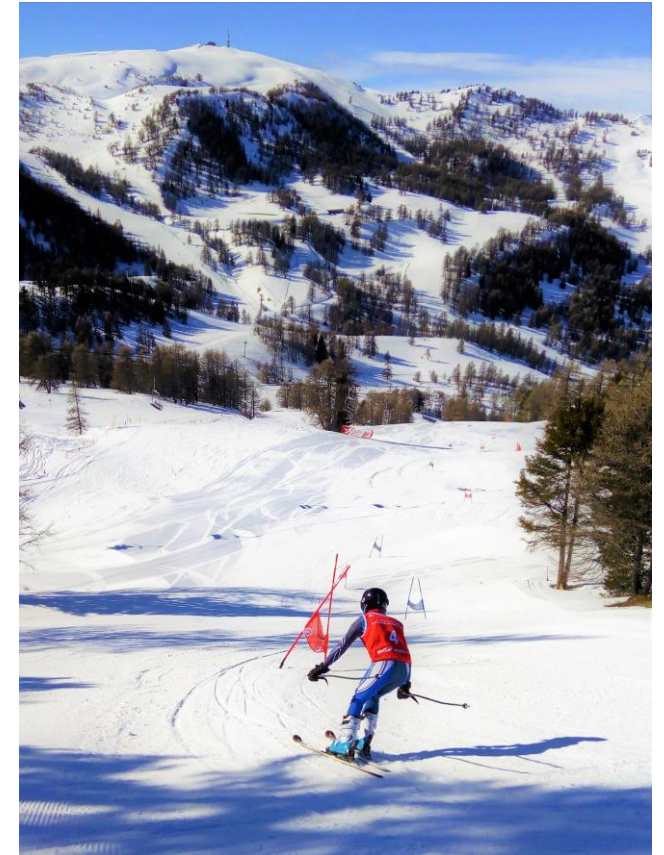

Price rates starting from 9,7€ per person for a 2 hour session

1 Goals

Perfection your technique and gain seconds on your race time. Our specialist instructors share the secrets of slalom with you. Customised training on the ESF competition stadium and special competition preparation.

2 Additional info

Video images broadcast available in the arrival zone for video corrections with your specialist instructor..

SNOWSHOE HIKING

2 hours or more

Maximum 14 people per instructor

Qualified specialist ESF instructors

Available for all levels

Make sure to have adapted clothing and shoes (hiking shoes are best) and an insurance (optional)

Equipment (snowshoes and poles) included

Quotation available on demand

1 Goals

An activity made for nature lovers and accessible to all! Put on your snow shoes and discover the most beautiful mountain landscapes, off the beaten track. Let our instructor show you the fauna and flora of the area.

2 Additional info

You can chose the duration of the activity, to adapt it to your wishes and needs. Different types of walks are proposed, like a hike to the ridges of Risoul or a convivial evening walk under the stars, with by a cup of mulled wine by the camp fire.

GIANT SLALOM (Flèche) or SLALOM (Chamois)

-  According to the number of participants/runs, between 1 and 2 hours
-  Unlimited number of participants
-  Qualified specialist ESF instructors and official ESF opener
-  Intermediate to advanced level
-  Make sure to have a skipass, a helmet, adapted equipment and insurance (optional)
-  Sound system available in the arrival area
-  Starting from 299€ for a group up to 40 people

1 Goals

Who is the champion of your group? Show off your technical skills and speed in an exclusive race on a privatised slalom stadium.

2 Additional info

ESF Risoul organises an official slalom competition, from A to Z, exclusively for your group. With the race times registered by an official timerkeeper, compared to the time of a certified ESF opener and the results edited and counted in the French national ranking SkiOpen - accessible online on the website:

<https://technique.clubesf.com/resultat/competition.php>

The arrival zone is available for spectators and additional animation, with a sound system at your disposal.

PARALLEL SLALOM – Relay Race

According to the number of participants
Between 1,5 and 3 hours

Unlimited number of participants

Qualified specialist ESF instructors

Intermediate level

Make sure to have a skipass, a helmet,
adapted equipment and insurance
(optional)

Sound system available in the
arrival area

Starting from 299€ for a
group up to 40 people

1 Goals

Use your personal skills for a group performance during this fun and easily accessible slalom relay on a privatised stadium. A great team-building activity, which can be 100% adapted to the level of your group.

2 Additional info

After a briefing and the distribution of the competition bibs, the participating teams (created and communicated to ESF in advance) go head to head on the customised parallel race tracks.

Possibility to have a ranking per team and/or individual.

The arrival zone is available for spectators and additional animation, with a sound system at your disposal.

SPEED CONTEST

1 Goals

Do you want to know who really is the fastest skier or snowboarder of your group ? Let us organise for you an official speed contest on a privatised slope and precise speed measurements.

Unlimited number of runs in 2 hours time !

2 Additional Info

After a briefing and the distribution of the competition bibs, the participants can do as many runs as possible during the 2 hours race time.

Possibility to have the ranking with the highest speed recorded per team and/or per participant.

SNOW TRIATHLON CHALLENGE

customised...

-  The teams complete 3 challenges in 2,5 to 3 hours time
-  Unlimited number of participants
-  Qualified specialist ESF instructors
-  No level required
-  Make sure to have adapted clothing and shoes and an insurance (optional)
-  Sound system available in the arrival area
-  Starting from 299€ for a group up to 40 people

1 Goals

Team building, sharing an exceptional experience and having fun! The teams meet in a cluster of sporty and amusing activities. A memorable and unifying moment for the whole group !

2 Proceedings

After a briefing, the participating teams (created and communicated to ESF in advance) alternate between the 3 chosen challenges.

At the end of the event, a general ranking will be edited to identify the winning team.

3 Activities

Cf. list of possible activities on the following page. None of them require ski or snowboard skills.

You can choose 3 options from the list for your customised triathlon.

All activities are organised on the bottom of the slopes, easily accessible for non-participants to enjoy the event all together.

SNOW TRIATHLON CHALLENGE

costumised...

Listing of the activities

- ❖ **Wacky Race:** a funny obstacle race with a variety of possibilities
- ❖ **Laser Riffle Shooting:** initiation to biathlon riffle shooting, a mission to hit the most targets
- ❖ **Sledge Race :** timed parallel slalom on sledges
- ❖ **Avalanche Beeper Challenge:** find the beacons hidden under the snow as quickly as possible, with the help of an avalanche beeper
- ❖ **Alpinist Challenge:** up to the team leader to guide his team, blindfolded and roped together, on their course with voice instructions only.
- ❖ **Human Curling :** aim for the target with your teammate on a tube!
- ❖ **Tug of War:** the classical challenge in which participants show off of strength, bravery and good mood.
- ❖ **Lumberjack Challenge :** a crazy sawing exercise you've never experienced before!
- ❖ **Snowshoe Relay:** show of your speed and agility with snowshoes on your feet on a timed track, blindfolded or not...
- ❖ **Other options (non exhaustif list) :** snow ball throwing competition, tasting contest with local cheese and/or wine, tree climbing...

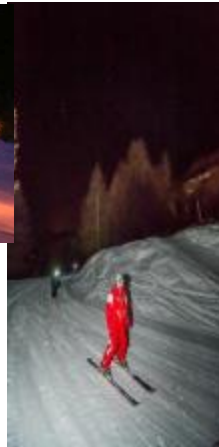

Options may vary according to the group size and the snow conditions

Evening Activities

SENSATIONS

CONVIVIALITE

DECOUVERTE

ORIGINALITE

PARTAGE

RACLETTE and SNOWSHOE EVENING

-  3 to 4 hours
-  From 15 to 160 participants
-  Guiding and presence of ESF instructors during the whole event
-  No level required
-  Equipment rental (snowshoes and poles) included
-  Make sure to have adapted clothing and shoes (hiking shoes are best) and an insurance (optional)
-  Quotation available on demand

1 Goals

A pleasant snowshoe hike through the forest to reach a mountain restaurant where you will enjoy an unforgettable evening with a typical mountain diner in a lovely warm setting surrounded by wood and stone.

2 Proceedings

Departure from the bottom of the slopes after a short briefing and equipping.
Approach on foot of approximately 45min., guided by your ESF instructor
Dinner including local specialties in a restaurant up the mountain
Return hike by night, guided by your ESF instructor

3 Menu Example

- Aperitif
- Main dish : Fondue savoyarde OR Raclette with cold meats and salad
- Dessert with coffee.
- 1 bottle of wine for 4 people

For more information about the proposed menu and reservation we will get you in touch with the restaurant.

Single menu for the whole group

TRAPPERS UNDER THE STARS

-  3 hours, including a break at a campfire with a warm beverage
-  Maximum 14 people per instructor
-  Qualified specialist ESF instructors
-  No level required
-  Equipment (snowshoes and poles) and warm beverage included
-  Make sure to have adapted clothing and shoes (hiking shoes are best) and an insurance (optional)
-  Quotation available on demand

1 Goals

After closing time of the slopes, enjoy the calm and peacefullnes of the snowy forest and discover the magic of nature by night. The evening comes to an end at a campfire with a cup of mulled wine or hot chocolate.

2 Additional Info

Proceedings may vary according to the number of participants.
Equipement and warm beverage provided by ESF.

DESCENT BY TORCHLIGHT

-  Up to 1 hour
(waiting time for sun to set not included)
-  Unlimited number of participants
-  Qualified specialist ESF instructors
-  Intermediate level (parallel skiing on a bleu slope)
-  Make sure to have a skipass, adapted equipment and insurance (optional)
-  5€ per person. Additional fee for mandatory presence of ski patrol in case of privatised event.

1

Goals

Don't miss out on this unforgettable experience in an enchanting mountain scenery ! After sunset, put on your skies and go down the slopes by the glimmer of torchlight.

2

Additional Info

For privatised descents, the participants need to make sure to go up during opening hours of the skilifts. It is recommended to contact one of the mountain restaurants to make arrangements for the waiting time.

Once the sun has set our instructors will give a security briefing, hand out the electric torches to the participants and guide everybody down the slopes by the light of the torches.
