

RACING INFORMATION

- The race schedule is weekly and updated on weekends.
- For all registrations, we advise you to have the Gold Star level.
- Please **arrive about 45 minutes before the departure time** to allow you to collect your bib and check the starting list.
- The starting list is established according to the SKI OPEN ranking, the fewer points you have, the earlier you leave.

In this classification, categories are established: Gold, Vermeil, Silver, Bronze and Unclassified. A draw will determine the starting order in each category.

- At the end of the timed test, **please return your bib.**
- The results are sent and validated at the national level; you can consult them on CLUB ESF via this link:
